Dear Friends,

On behalf of the Norton Energy Fund, I would like to thank the Trinitarian Congregational Church of Norton for the generous donation of \$800.00 received on 12/10/2016. The Trinitarian Church has been an important partner with the Norton Energy fund since our inception and we are grateful for your support. Your contribution will provide the necessary fuel to *keep the heat on* for Norton families in need.

Last year, thanks to generous donors, the Norton Energy Fund was able to assist 28 Norton families with their emergency fuel needs.

Thank you.

Yours sincerely,

Beth Rossi
