

# AmazonSmile FAQs

## What is AmazonSmile?

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile ([smile.amazon.com](https://smile.amazon.com)), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers.

## How does AmazonSmile work?

When first visiting AmazonSmile, customers are prompted to select a charitable organization from over one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

There is no charge to participate nor does the purchase price change for you. However, you may only support your selected charitable organization by shopping at [smile.amazon.com](https://smile.amazon.com) and registering the Trinitarian Congregational Church of Norton as your charity.

Once this registration is complete and the church selected, qualifying purchases for the Smile program can only be made from the [smile.amazon.com](https://smile.amazon.com) site.
